

Multiples Tentett

Hartmut Nold

Percussion Tentett No. 2 (2020)

The leader should play one of the Djembe drums and give the cues while playing.

One bar before the cues, count in with a low voice. This is practical and not to be heard in the audience.

Tom Tom 1 + 2 in sizes 6'' , 8'' or 10''

Tom Tom 3 + 4 in sizes 13'' , 14'' or 16''

Highly recommended are Roto Tom Toms.

Djembe notation:  slap sound
bass sound

All Djembe drummers are playing all the time simultaneously.

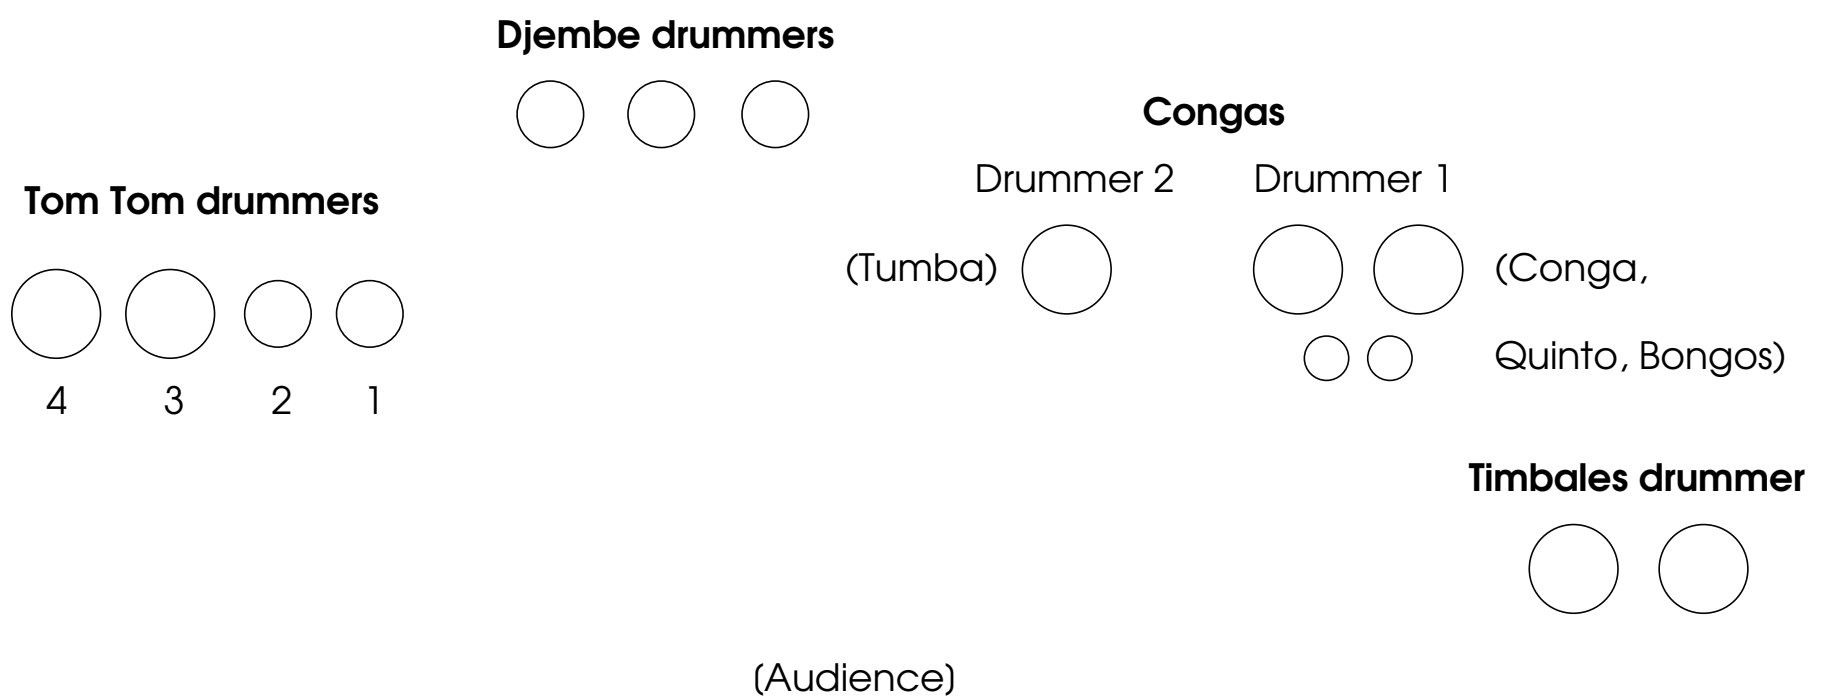

The Djembe drummers should play without scores, waiting on the cues of the leader (the bars 61-64 and also the last 3 bars are easy to memorize)

The Conga drummers are playing all the time simultaneously (except the solo of Congadrummer 1)
Both Conga drummers have to use Marimba mallets. For more power, drummer 1 can play both Congas at once (but not when  are indicated).

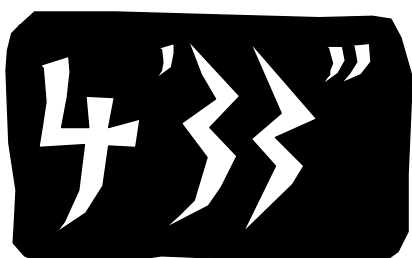

Timbales notation:  high Timbale
low Timbale

This piece is also expandable to a larger cast: a third Conga drummer is possible and also two additional Tom Tom players (in this case change the title to "Multiples — for large Percussion Ensemble").

Duration: about 5 minutes.
